

LIBERAL IN
MANCHESTER

Pay Registrars More Than
Constitution Requires.
Small Damage.

Manchester Bureau, Times-Dispatch,} No. 102 Hull Street,} Notwithstanding the fact that the Constitution stipulates the sum of \$2 per day as a sufficient compensation for the registrars, the Manchester Finance Committee in its generous way declared that it would pay \$2.50 per day for each registrar. This sum had been previously fixed upon by the Committee on Elections, and it is now up to Council. Other matters of no public importance were transacted, and the committee adjourned. Those present were Messrs. Bradley, chairman; Rudd, sub-chairman; Fahr, Owen, Hubbard, Tillery and Abbott. City Attorney Page was also present.

ASKED TO LOOK OUT. The police were asked last night to look out for thieves who had robbed W. H. Tillery's store on Emporia, and carried off a large quantity of firearms. They are looking out.

STRONG WIND. The wind blew just as fast in Manchester last night as it did anywhere else hereabouts, and it blew the tin-roof of the water office half way off. It also blew down a telephone wire in the alley between Hull and Bainbridge Streets, and Eleventh and Thirteenth. This wire was "killed" by Fireman "Buck" Smith, before it could do any damage.

A gale swept over the city and few people were out. It is reported to remain indoors. No serious damage was reported from any section of the city. The car men on the Petersburg electric line, reported that many trees had been blown down along that line, and that in some places the cars had to feel their way.

COURT NOTES. Walter Howell, Joseph Williams and Tom Howell were each fined \$100 and sent to jail for ninety days by Mayor Maurice yesterday for selling liquor on Sunday without a license. They were represented by Mr. D. L. Pulliam, who noted an appeal.

Mack Jones was released of the charge of attempted criminal assault on Gertrude Wilson, because the woman did not appear in court to testify, after the case had been previously continued.

Pleasant Woodliffe and Jack White were each fined \$250 for fighting in the street.

QUARTERLY MEETING. The Methodist Sunday-schools of Manchester will hold their fourth quarterly meeting in West End Church to-morrow afternoon at 3 o'clock. Rev. J. C. Rosser, Asa Driscoll and R. M. Chandler will take part in the exercises.

MASONIC BAZAAR. The big bazaar will open on the 15th, when Governor Montague will make an opening address. The bazaar promises to be one of the most successful ever given in Manchester. Various attractions will be presented each night.

PERSONAL AND NOTES. This is the last day allowed for the payment of water bills.

Rev. C. O. Woodward will preach at Covington Avenue Church to-morrow night on "Sowing and Reaping."

Rev. C. W. Maxwell, superintendent of the orphanage at Lynchburg, will preach at the Presbyterian Church to-morrow morning, and Rev. W. McS. Buchanan, missionary to Japan, will speak on his work at night.

CLEAR WATER MAY
INTEREST COMMITTEE

The Committee on Water will hold a regular session at 11 o'clock on Wednesday night, and it is likely that Mr. Chipman, of New York, the inventor of the new scheme to clear water by electricity, will be present and lay his plans before the body.

While no action has been taken on the proposition, it is quite probable that if a successful test is made on a large scale at the Reservoir and the plant can be run in an economical way, the proposed settling basin, the committee will become interested and take the matter up with Mr. Chipman.

Mr. Minor, the Richmond agent of the New York concern, is anxious to get his chief here by Wednesday night, and he will likely be so.

All those who witnessed the test at the City Hall the other day are very much pleased with the new invention.

MOVEMENT TO
BETTER THE MILITARY

There was a meeting of military officers of Richmond at the army last night, at which all the companies were represented.

Major Charles O. Saville presided, and a call was issued for another meeting to be held at the same place on October 15th.

All the officers, ex-officers and citizens who are interested in the betterment of the military, are invited to the city will be invited, and Governor Montague will be present as commander-in-chief.

The object of the meeting is to devise some means to raise the standard of the military here, and the organization will be extended, so as to take the entire State.

Rally and Roll-Call Day.

Marshall-Street Christian Church will observe Sunday as rally and roll-call day, and instead of the usual service at 11 o'clock there will be a service participated in by several of the lay members of the church.

church roll will be called, when it is

The eminent source from which the prescription for "Foster's Kidney Pills" was derived is a sufficient guarantee of its value. In the fifty years since it was first prescribed for the late Rev. Father John O'Brien, of Lowell, Mass., by whom it was recommended, and from whom it derived its name, this old remedy has never failed to do all that is claimed for it. It cures cold, grip, and all throat and lung troubles; builds up the body, prevents pneumonia, and consumption. It is not a patent medicine, and we again call your attention to its freedom from poisonous, nerve-deadening drugs or weakening stimulants, upon which the majority of patent medicines depend for their effect, and which are dangerous to use against them. Foster's Kidney Pills are for sale by Owens and Minor Drug Company, No. 1007 East Main Street; City Drug Store, No. 144 East Main Street; Peoples' Pharmacy, No. 3806 Williamsburg Avenue; Northside Pharmacy, No. 901 North Fifth Street; Pine Street Pharmacy, No. 334 South Pine Street; East Pharmacy, No. 2601 Pine Street.

MERIDIAN, NEW LODGE
OF MASONS, LIKELY

It is expected that a new lodge of Masons will soon be organized in Richmond with Captain Cunningham as its master. The object of forming the new lodge is unique in that it is to be largely a class institution, the class being those who have to work at night and thus rarely ever have an opportunity to attend the meetings of their respective lodges. "Meridian" will be the name of the new lodge. Charles A. Nesbitt will be the secretary. The charter has been asked for and there is little doubt of its being granted. Its membership is expected to reach three hundred in a reasonable time.
